

# Order of St. Luke

The Order of St. Luke (OSL) is a group of Christians that believe in the “*power of the Holy Spirit for healing and miracles*” through prayer.

The International Order of St. Luke the Physician is a Christian organization devoted to being the healing ministry of Jesus Christ to all who need physical, spiritual or emotional healing. For more than seven decades, the Order of St. Luke has sought to equip believers from every Christian denomination with the scriptural foundation and faith to believe in Christ for healing.

By becoming a member of the Order of St. Luke you will grow through scriptural training, Biblical “laying-on-of-hands”, personal prayer and an opportunity to join your faith with other believers from all Christian traditions.

Healing was an important part of Christ’s ministry and is intended to be a part of His disciples’ work in every generation.

God uses many means for healing. Some are spiritual, such as prayer, love, faith, and laying-on-of-hands. Some are medical, such as medicine, surgery and psychology. We must be supportive of one another in the various ways God chooses to heal.
